

The Ray foundation is Non Profitable initiative (under Moralkart foundation ) .Here at The Ray Foundation we are working on getting groups of underprivileged children to have revelation to life and communication skills which could help them have better opportunities for their future as well as encourage them to be creative and confident for making a positive difference.

We are comprised of young, motivated individuals who have come together with the aim of imparting back some of our learnings we have earned so far. Education and environmental responsibility are among our key focus areas.

We have currently one center in Pune (Hadapsar) catering around 60 Children. We aim to grow in 2019-20 to have a reach to 100 children for quality education as well as spreading smiles.

## Being a Teacher at Ray Foundation

Being a teacher at Ray foundation is a challenging yet Fun responsibility. We are looking for teachers who are passionate and enthusiastic and are keen to teach through, out of box methods and are aligned with the mission of the organization to make a difference to society.
